

Have you ever thought about the purpose of life? We are born, we obtain knowledge, we work hard, we gain wealth, we have family, and then we die...but all for what? In all reality life is so short. So, what is life all about?

Did you know that we were designed and created for a specific purpose? God made you and me for a very special reason and that is to have a relationship with Him. When we have this special relationship with God, He fulfills His purpose for our lives. God wants to give us the abundant life that He intended for us to have.

How do you enter into a relationship with God?

- ◇ Realize that you are a sinner (Romans 3:10,23).
- ◇ Believe that He alone is God (Psalm 86:8-10), and that He made a way for you to be forgiven and free from sin (John 3:16, Romans 5:8, 6:23) through His Son Jesus Christ who died and rose again for you.
- ◇ Turn from sin and trust in Christ alone to save you from your sins (Romans 10:9-10).
